THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (DR. MURLI MANOHAR JOSHI): (a) and (b) The recent transfers in KVS has been done in view of a broader policy to accommodate the requests of teachers who have been at a place for long time. The policy has evoked a mixed response. Teachers who have two years of service have been exempted. Since the transfers have not taken into consideration the age of a teacher otherwise, the data in respect of such teachers is not maintained.

(a) whether it is a fact that more schemes named Swayamsiddha and Swadhar have been announced recently for women's welfare and empowerment;

(b) it so, the details thereof;

(c) whether Swayamsiddha is only a renamed version of the existing schemes called Indira Mahila Yojana and the Mahila Samridhi Yojana; and

---

†Original notice of the question was received in Hindi.

(d) the difficulties, if any, faced in implementing the existing schemes and upto what extent the new schemes are an improvement thereon?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (DR. MURLI MANOHAR JOSHI): (a)Yes, Sir.

(b) and (c) ***Swayamsiddha***: Indira Mahila Yojana (IMY), which was being implemented in 238 blocks in the country, has been recast and expanded as Swayamsidha (IWEP), to be implemented in 650 blocks at a total cost of Rs. 116.30 crore. Swayamsiddha is an integrated scheme for women's empowerment. It is based on the formation of women into Self-Help Groups (SHGs) and aims at the holistic empowerment of women through awareness generation, economic empowerment and convergence of various schemes.

Mahila Samriddhi Yojana (MSY) has been merged with Swayamsiddha.

It is envisaged to form 53,100 SHGs to benefit 9,29,250 women.

Swadhar: The Scheme is yet to be finalized.

(d) The operational cost of Mahila Samriddhi Yojana (MSY) was disproportionately higher than the cost on incentive intended for the beneficiaries. Thus, MSY, which aimed at encouraging thrift among women through tiny savings, has been merged with Swayamsiddha and one of the many objectives of Swayamsiddha, *viz.*, strengthening and institutionalizing the saving habit of rural women and their control over economic resources, would, to a large extent, cover the basic objective of inculcating thrift.

Whereas IMY had only provision for one component of Awareness Generation, Swayamsiddha has got provision for multiple components like Awareness Generation, Training, Community Assets, Convergence, Integration, etc.
